RAGI EARHEAD PEST.

The ragi earhead Webbing Caterpillar Pest has appeared in parts of Mandya, Mysore, and Hassan Districts, on "Hein" Ragi stacks. The pest is in the initial stages and is likely to cause damage, if allowed to multiply. Early threshing will help very greatly in killing the pest and also in getting the full benefit of the good crop this year. The ragi cultivators of Mandya, Mysore and Hassan Districts are accordingly advised to undertake the threshing of the harvested ragi immediately and complete it in 2-3 weeks, without leaving it in stacks till the conventional season of February. In the interest of Grow More Food work, this must be treated as an emergency measure and the stacks threshed without further delay. At harvest time the crop must be examined for the insect attack and if infestation is present, the earheads must be dusted with "Gammexane" or "Hexyclan" and then stacked. The method of dusting and the insecticide may be had free of cost from the Agricultural Inspector of the Taluk.

FINANCIAL DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL FOR MYSORE, BANGALORE.

Dated 16th January 1951.

Circular No. 553—*P. S.*

To

All Drawing Officers.

Re:—Incomplete address of payees in the Bills for supplies made or services rendered to Government Departments, sent to the Audit Office for arranging payment.

It has been noticed that some of the above bills relating to private firms or parties received from the Departments for arranging payment do not contain the full postal address of the payees. Consequently intimations sent by post to such of those payees as are living in Bangalore, to take delivery of the cheques at the Pay Section, as also cheques sent by registered post to mofussil firms have been returned by the Post Office undelivered for want of sufficient address. In the absence of complete address such undelivered cheques will have to be forwarded to the Departmental officers for arrangining their delivery to the payees concerned after ascertaining their correct address, and the receipt of acknowledgment of payees after delivery of cheques has to be watched in the Audit Office to discharge its responsibility in the matter. Thus, omission to furnish full address in the bills entails not only additional work in the Audit Office but also delay in the receipt of cheques by the payees.

All the Drawing Officers are therefore requested to ensure in future that the full addresses of payees are furnished invariably in all bills before they are sent to the Audit Office for pre-audit and payment. Any bills bearing incomplete addresses are liable to be returned unaudited.

Circular No. 554—*P. S.*

Subject :—Taking delivery of cheques issued in payment of non-token bills at the Pay Section, Accountant-General's Office, by the departmental offices at Bangalore.

It has hitherto been the practice that cheques issued in payment of N. T. Bills relating to the claims of Government Departments in Bangalore are delivered to the Departments through the Cycle Orderly of this Office. As this practice has been found to be defective in that the responsibility for delivery of cheques to the correct party devolving on the Pay Section of this offices could not be discharged satisfactorily, it will be discontinued forthwith and the following procedure brought into effect:—

As soon as cheques in payment of N.T. Bills are drawn, intimations will be sent to the departmental officers for taking delivery of such cheques at the Pay Section of the Accountant-General's Office after furnishing proper receipt therefor and also an authorisation to deliver them to the Messengers deputed for the purpose from their offices. The intimations sent from this office should invariably accompany all such receipts. N.T. Bills returned unpaid will, however, be despatched to the offices concerned through the Cycle Orderly as hitherto.

FINANCIAL DEPARTMENT

OFFICE OF THE ACCOUNTANT GENERAL FOR MYSORE, BANGALORE.

Circular dated 18th January 1951.

To

All Treasury Officers.

Subject:—Accounting of duty on spirituous medicinal preparations payable to other Governments.

No. 537—B2. It is observed that duty on spirituous medicinal preparations imported by other State Governments and payable to them is being credited under the following deposit head of account:—

W Deposits
1. Other Deposits
(a-c) Abkari Duty payable to other Governments,

in spite of instructions issued in this office No. 5—C.A.C., dated 7th March 1950 that with effect from 1st April 1950, receipts and payments on behalf of other Governments should be classified under "24 C Inter-provincial Suspense Account—Government of Madras, Bombay, etc." This procedure of crediting the duty referred to above to the deposit head of account may be discontinued with effect from 1st February 1951. The chellans with which these duty amounts are remitted to the Treasuries may be examined well with regard to the particular Government to whom duty is payable and the amounts classified correctly under "24 C. Inter-state Suspense" in the State Section of Accounts. Since any misclassification in the Treasury Accounts results ultimately in wrong amounts being paid to other Governments, Treasury Officers may exercise special scrutiny in this behalf and insist on the chellans being presented in a complete form giving details of the nature of credit, the Government to whom it is payable, etc.

Re:—Incomplete address of payees in the Bills for supplies made or services rendered to Government Departments, sent to the Audit Office for arranging payment.

It has been noticed that some of the above bills relatin to private firms or parties received from the Department for arranging payment do not contain the full posta address of the payees. Consequently intimations sent b post to such of those payees as are living in Bangalore to take delivery of the cheques at the Pay Section, as als cheques sent by registered post to mofussil firms have bee returned by the Post Office undelivered for want o sufficient address. In the absence of complete address suc undelivered cheques will have to be forwarded to th Departmental officers for arrangining their delivery to th payees concerned after ascertaining their correct address and the receipt of acknowledgment of payees after delivery c cheques has to be watched in the Audit Office to discharg its responsibility in the matter. Thus, omission to furnis full address in the bills entails not only additional work i the Audit Office but also delay in the receipt of cheques b the payees.

All the Drawing Officers are therefore requested to ensur in future that the full addresses of payees are furnishe invariably in all bills before they are sent to the Aud Office for pre-audit and payment. Any bills bearing in complete addresses are liable to be returned unaudited.

Subject :—Accounting of duty on spirituous medicinal preparations payable to other Governments.

No. 597—B2. It is observed that duty on spirituous medicinal preparations imported by other State Governments and payable to them is being credited under the following deposit head of account :—

W Deposits
19 Other Deposits
(a-d) Abkari Duty payable to other Governments,

In spite of instructions issued in this office No. 5—C.A.C., dated 27th March 1950 that with effect from 1st April 1950, receipts and payments on behalf of other Governments should be classified under " 24 C. Inter-provincial Suspense Account—Government of Madras, Bombay, etc." This procedure of crediting the duty referred to above to the deposit head of account may be discontinued with effect from 1st February 1951. The chellans with which these duty amounts are remitted to the Treasuries may be examined well with regard to the particular Government to whom duty is payable and the amounts classified correctly under " 24 C. Inter-state Suspense " in the State Section of Accounts. Since any misclassification in the Treasury accounts results ultimately in wrong amounts being paid to other Governments, Treasury Officers may exercise special scrutiny in this behalf and insist on the chellans being presented in a complete form, giving details of the nature of credit, the Government to whom it is payable, etc.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Circular No. 553—*P.* S.

To

All Drawing Officers.

Re:—Incomplete address of payees in the Bills for supplies made or services rendered to Government Departments, sent to the Audit Office for arranging payment.

It has been noticed that some of the above bills relating to private firms or parties received from the Departments for arranging payment do not contain the full postal address of the payees. Consequently intimations sent by post to such of those payees as are living in Bangalore, to take delivery of the cheques at the Pay Section, as also cheques sent by registered post to mofussil firms have been returned by the Post Office undelivered for want of sufficient address. In the absence of complete address such undelivered cheques will have to be forwarded to the

Departmental officers for arrangining their delivery to the payees concerned after ascertaining their correct address, and the receipt of acknowledgment of payees after delivery of cheques has to be watched in the Audit Office to discharge its responsibility in the matter. Thus, omission to furnish full address in the bills entails not only additional work in the Audit Office but also delay in the receipt of cheques by the payees.

All the Drawing Officers are therefore requested to ensure in future that the full addresses of payees are furnished invariably in all bills before they are sent to the Audit Office for pre-audit and payment. Any bills bearing incomplete addresses are liable to be returned unaudited.

Circular No. 554—*P. S.*

Subject :—Taking delivery of cheques issued in payment of non-token bills at the Pay Section, Accountant-General's Office, by the departmental offices at Bangalore.

It has hitherto been the practice that cheques issued in payment of N. T. Bills relating to the claims of Government Departments in Bangalore are delivered to the Departments through the Cycle Orderly of this Office. As this practice has been found to be defective in that the responsibility for delivery of cheques to the correct party devolving on the Pay Section of this offices could not be discharged satisfactorily, it will be discontinued forthwith and the following procedure brought into effect:—

As soon as cheques in payment of N.T. Bills are drawn, intimations will be sent to the departmental officers for taking delivery of such cheques at the Pay Section of the Accountant-General's Office after furnishing proper receipt therefor and also an authorisation to deliver them to the Messengers deputed for the purpose from their offices. The intimations sent from this office should invariably accompany all such receipts. N.T. Bills returned unpaid will, however, be despatched to the offices concerned through the Cycle Orderly as hitherto.

Subject :—Accounting of duty on spirituous medicinal preparations payable to other Governments.

No. 597—B2. It is observed that duty on spirituous medicinal preparations imported by other State Governments and payable to them is being credited under the following deposit head of account :—

W Deposits
19 Other Deposits
(a-d) Abkari Duty payable to other Governments,

in spite of instructions issued in this office No. 5—C.A.C. dated 27th March 1950 that with effect from 1st April 1950, receipts and payments on behalf of other Governments should be classified under " 24 C. Inter-provincial Suspense Account—Government of Madras, Bombay, etc." This procedure of crediting the duty referred to above to the deposit head of account may be discontinued with effect from 1st February 1951. The chellans with which these duty amounts are remitted to the Treasuries may be examined well with regard to the particular Government to whom duty is payable and the amounts classified correctly under" 24 C. Inter-state Suspense " in the State Section of Accounts. Since any misclassification in the Treasury Accounts results ultimately in wrong amounts being paid to other Governments, Treasury Officers may exercise special scrutiny in this behalf and insist on the chellans being presented in a complete form, giving details of the nature of credit, the Government to whom it is payable, etc.

If a large number of bills which have to be pre-audited and paid before the close of the official year 1950-51 are sent to the Audit Office during the last few days of March 1951, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. OFFICE OF THE ASSISTANT COMMISSIONER AND IRRIGATION OFFICER, TIPTUR SUB-DIVISION, TIPTUR.

Notification dated 7th February 1951.

No. A.C. 416—50-51. Whereas it is ascertained that some quantity of water will be available in Mayasandra tank in Turuvekere Taluk even after the present crops on the atchkat of the said tank are harvested and whereas it is feared that the quantity of water that may be left over will not be sufficient to raise summer paddy or summer ragi on the entire atchkat and as it is not feasible at present to correctly restrict the atchkat under the tank as the exact quantity of water that will be available after the present crops are harvested has yet to be determined after making allowances for the existing crops under the atchkat and as it is likely to take some more time to determine this extent, whereas it is necessary to prevent indiscriminate cultivation of lands under the atchkat during this summer pending determination of lands that could be allowed water for cultivation during this summer of 1951 with a view to prevent failure of crops under the atchkat later on, I, Sri A. R. Adinarayanaiah, B.Sc., Assistant Commissioner and Irrigation Officer, Tiptur Sub-Division, in exercise of the powers vested in me under Section 16 (1) of the Mysore Irrigation Act, 1932 do hereby direct the atchkatdars under the said tank not to prepare the lands under the said tank for growing summer paddy or summer ragi pending issue of further orders from this office in consultation with the Public Works Department.

Whosoever contravenes this Order will be liable for punishment under the said Act to a fine up to Rs. 100 for each offence.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 12th February 1951.

No. T. 11251. The modification to this office Notification No. T. 2138, dated 30th May 1950 as contained in the Notification No. T. 3105, dated 30th June 1950, is hereby withdrawn with immediate effect, with the following further modifications:—

The wholesale cloth dealers attached to Bangalore (including City Corporation) and Mysore Districts are hereby required to sell Bombay, Ahmedabad and Sholapur Mill goods up to a maximum extent of only 500 yards to a retail cloth dealer, in a month, only within the area or Taluk to which they are respectively attached in the two Districts on entry in the quota forms of the retailers concerned. Therefore, a retailer in the above Districts can purchase upto 500 yards of Bombay and Ahmedabad and other outside mill goods during a month from one or many Wholesale Dealers attached to his taluk or area.

In the remaining Districts of the State, the Wholesale Dealers are required to sell Bombay and Ahmedabad goods upto a maximum of only 300 yards to a retailer in a month, only in the area or the Taluk to which they are respectively attached, on entry in the quota forms of the retailers concerned. In other words a retailer in the remaining Districts can purchase up to a maximum of 300 yards of Bombay, Ahmedabad other outside Mill goods during a month from one or many wholesale dealers attached to his Taluk or area.

Whenever Seconds or Fents goods are allotted to Wholesale Cloth Dealers in the State in the ninth allotment of Bombay and Ahmedabad goods and 22nd allotment of local mills goods and onwards and until further orders, they are allowed to sell such goods either to the Licensed Readymade Dress Manufacturers or to the Licenced Retail Cloth Dealers concerned in the Taluk or area to which they are attached—subject to the quantitative restriction in force, on entry in the quota forms of the retailers. This concession does not apply to Binny Fents and Seconds and this variety should be sold on permits to be issued by this office in favour of Readymade Dress Manufacturers only.

Seconds goods sold should be within the quantitative restrictions imposed for the sale of Bombay and Ahmedabad and local Mills goods, to a retailer in a month, but Fents are allowed to be sold beyond the maximum limit of yardage admissible to a retailer concerned in a month.

Under no circumstances shall local Mills goods be sold beyond the Taluk or the area to which a Wholesale Dealer is attached. Nor can Bombay and Ahmedabad Mills goods be sold beyond the Taluk or the area to which a wholesale dealer is attached. Quantitative limit fixed for sale to a retailer in a month in either case should be strictly adhered to. In doing so, varieties of cloth allotted in each allotment to a Wholesale Dealer should be equitably distributed among the retailers concerned without any distinction, to ensure fair distribution of demand varieties of cloth, in particular, throughout the State.

Controller of Civil Supplies.

Office Order No. 6—TM.—Notification dated 16th March 1951.

To

All Treasury Officers.

Sir,

Re: Changes in Treasury procedure affecting the transactions of the Food Supply Department.

With reference to para 2 (a) (vi) of this office Circular No. 5—TM, dated 12th March 1951, I write to state that the following procedure will be adopted by treasuries on and after 1st April 1951 in the case of the transactions of the Food Supply Department.

(a) *Salary, Establishment, T.A. and Contingent Bills (Revenue Account).*

Bills payable outside Bangalore will be encashed at the several treasuries after the prescribed preliminary check as at present. The payments made will, however, be entered in the list of payments of "63 Extraordinary Charges" (Service Head) and not under the remittance head "39 Remittances—Food Supply Department—Bills." The daily total from the above list of payments will pass into the register of Daily Totals of Service Heads as in the other cases. This list will be written up in triplicate (by using carbon paper) and two copies of the list of payments supported by vouchers should be sent to this office bimonthly.

Bills payable at Bangalore will invariably be paid by this office by means of cheques on the local treasuries or Banks. Such bills should not therefore, be cashed at the treasuries in Bangalore on and after 1st April 1951.

(b) *Remittances to treasuries on behalf of the Food Supply Department in respect of the value of foodstuffs sold, etc.*

These are now being shown in the treasury accounts under the head "39 Remittances—Food Supplies Department Payments into Treasuries." On and after 1st April 1951, such transactions will be classified under the new major head "85 A Capital Outlay on schemes of State Trading—the minor head being—Common Suspense for Grain Supply schemes—Receipts" and not under the remittance head referred to above. These remittances will be made in triplicate challans (one to be filed in the Treasury for being sent to the Accountant-General with the monthly accounts and the second and third copies to be returned to the remitter (duly signed).

(c) *Drawings from Treasuries for Capital Expenditure.*

Funds will be drawn on Abstract Contingent Bills as hitherto by the Deputy Commissioners and Amildars, against Letters of Credit issued by the Chief Accounts Officer, Food Supply Department. These bills should be charged to "85 A Capital Outlay on schemes of State Trading—Grain Supply Schemes—Common Suspense—Payments" in the Treasury Accounts.

(d) A new Subsidiary Register form has been got printed for recording both receipts and payments relating to the above Capital head without separate columns for each grain. Daily totals of this register will get into the Register of Daily totals of Revenue and Service Heads. The Subsidiary Register will be written in triplicate by the carbon process. One copy is for treasury, one copy with challans and vouchers will be forwarded to this office and the third copy sent to the Chief Accounts Officer, Food Supplies Department.

(e) The head "85 A Capital Outlay on Schemes of State Trading" may be opened in the Registers of Daily Totals of Revenue and Service Heads, for recording total realisations and total payments. In the monthly treasury accounts sent to this office, receipts will appear on the receipt side and payments on the disbursement side against the major head "85 A Capital Outlay on Schemes of State Trading—Grain Supply Schemes—Common Suspense."

(f) The head "39 Remittances—Food Supply Department" should not be operated upon by treasuries on and after 1st April 1951.

Yours faithfully,
V. K. SUBRAMANYAM,
Deputy Accountant-General.

Sir,

Subject:—Supply of Typewriters to Government Departments and Offices.

No 18945. I write to state that prices of typewriters specially of American origin are rising rapidly from some time past and the prices that are obtaining now and that are now accepted by the Government of India are going to be increased by about 25 per cent more and consequently it has been found expedient by Government to purchase and store some typewriters of American origin on Government account and arrange supplies to Government Departments as and when required.

The Government have therefore arranged to purchase for the present Remington typewriters of the undermentioned sizes and these will be placed for distribution with the undersigned who will arrange for supplies among the several Government Departments on applications in the prescribed form which will be supplied on request.

(a) Policy. (c) Foolscap.
(b) Brief. (d) Portable.

In view of the fact that only Remington machines are stored, all indentors who apply for typewriters from 1st April 1951, are requested to indent only for these machines after getting the necessary Government sanction for the same. If any other size like Manifest and Ex-Manifest is required, an application may be made to that effect setting forth the details of work involved, etc.

Applications, therefore may be made to this office with a copy of the Government Order sanctioning the purchase and the details like the adjustment of the bill of cost, cartage, transhipment charges, etc., will be furnished after applications are received.

It may be mentioned here that this change in procedure in no way alters the previous procedure and Government Departments are as usual prohibited from purchasing typewriters direct from firms.

I, therefore, request you to kindly circularise this information in your Department for information and needful action.

OFFICE OF THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE.

Notification dated 31st March 1951.

No. F.3. 85—50-51. The contract with the Mysore National Contractors and Suppliers Company for supply of fuel to Bangalore Civil Supplies ceases from 1st April 1951. Representations were being made by many fuel suppliers that Government should permit them to make direct supplies of fuel without the Agency of a Company, so that they may get the benefit of the commission and other charges hitherto allowed to the Company. Government are therefore now pleased to order in their No. S.D. 8896-901—C. 25-50-45, dated 29th March 1951, that direct supplies may be taken from the suppliers from 1st April 1951 subject to the conditions noted below. It is however anticipated that the suppliers will take advantage of the facility now afforded to them and make increased supplies so as not to give room to any cause for effecting alternate arrangements for securing fuel to Bangalore.

FOR SUPPLIES MADE BY ROAD IN LORRIES.

1 The suppliers will be paid for at the following rates for direct supplies :—

Class I-Fuel :—(Casuarina or Dindiga fuel): Rs. 32—8—0 per ton, and Class II-fuel :—(Jungle fuel) : Rs. 24—2—0 per ton.	(Including Transport charges to the Depots in the Bangalore Corporation and unloading thereat).

2 There will be no change either in the existing purchase price or mileage charges, *i.e.*, Class I-fuel being paid for at Rs. 28 per ton and Class II-fuel at Rs. 20 per ton, F.O.R. Weigh Bridge delivery, and mileage charges at Re. 1 per laden mile. The difference of Rs. 4-8-0 per ton in Class I-fuel and Rs. 4-2-0 in Class II-fuel, will go to the lorry owner towards internal Transport and delivery.

3 The existing rebate charges against supply of big logs and lengthy billets will continue.

4 The existing rates of payment for supply of mixed consignments and casuarina roots will continue.

5 The suppliers should recover direct from the licensees, Co-operative Societies and other concerns to whom their fuel may be allotted, the cost of fuel due from them. The Fuel Inspector, Weigh Bridge, will however, collect the usual commission charges due to Government from the licensees and see that proper and due payments are made to the suppliers.

6 In cases of supplies taken to Government Fuel Depots, the suppliers will acknowledge the receipt on the duplicate copy of the delivery note on one anna receipt stamp, for having received payment. The delivery note, after being certified in the respective Government Depots, will be sent to the Office by the Fuel Inspector, Weigh Bridge, for making payment to the supplier and the lorry owner, if any, when payment will be arranged to be made in the office.

7 The licensees, societies and other concerns are requested to arranged for *cash payments* to the suppliers direct at the Weigh Bridge, immediately after allotment of fuel to them, failing which no supplies can be made to them.

8 Such of those suppliers who are agreeable to make direct supplies under the foregoing conditions will enter into an agreement with the Special Officer, Fuel Supplies, for keeping up regular supplies.

9 If the unloading is done by the Government Depot Staff, Re. 0-12-0 per ton will be charged.

Notification dated 31st March 1951.

No. F.3. 85—50-51. The contract of the Mysore National Contractors and Suppliers Company for supply of fuel to Bangalore Civil Supplies, ceases from 1st April 1951. Representations were being made by many fuel suppliers that Government should permit them to make direct supplies of fuel without the Agency of a Company, so that they may get the benefit of the commission and other charges hitherto allowed to the Company. Government are therefore now pleased to order in their No. S. D. 8896-901—25-50-45, dated 29th March 1951, that direct supplies may be taken from the suppliers from 1st April 1951, subject to the conditions noted below. It is however anticipated that the suppliers will take advantage of the facility now afforded to them and make increased supplies so as not to give rise to any cause for effecting alternate arrangements for securing fuel to Bangalore:—

FOR SUPPLIES MADE BY RAIL.

1. The suppliers will be paid at the following rates:—

Class I—fuel. (Casuarina, Dindiga, Kamra, Jambai, and Mathi Rs. 32-8-0 per ton.

Class II—fuel. (Jungle, Ordinary): Rs. 24-2-0 per ton, and Special Jungle Fuel (received from Shimoga, Hassan and Mysore Districts): Rs. 26-2-0 per ton.

NOTE.—The above rates apply to supplies made at the depots which means the suppliers themselves have to attend for loading, transport and unloading at the Depots. If, however, the suppliers cannot arrange for loading, transport and unloading at the Depot, Re. 2-10-0 per ton will be charged therefor.

2. Suppliers, if present at the time of allotment of their consignment, will receive payment due to them, direct from the licensees and Co-operative Societies, after meeting the Railway Freight and Transport Charges, if any.

3. By the above arrangements, suppliers who cannot arrange for their own loading, internal transport and unloading, will get Rs. 29-14-0, 21-8-0 and 23-8-0 per ton of Class I-fuel, jungle fuel ordinary and jungle fuel Special (hard) respectively, as against Rs. 28, 20 and 2 respectively, they were hitherto getting.

4. In case of suppliers whose consignments are released to licensees and societies and who are not present at the time of receipt of fuel, the net amount due to them after defraying the railway freight, unloading, transport, post and other charges, will be remitted to the consignor noted in the Railway Receipt after recovering the cost from such licensees or societies, furnishing particulars as weight, etc.

5. In the case of supplies taken to Government Depots the suppliers will be informed of the weight and the quality of fuel whereupon they must prefer bills in duplicate at the above rates to the Special Officer, Fuel Supplies. On receipt of the bills, payments will be made by the Special Officer, by cheques after deducting the railway freight and transport charges. The transport contractor may claim the charges on a bill.

6. Contractors are reminded that no permits are necessary for consigning fuel to Bangalore in the name of the Special Officer, Fuel Supplies, Bangalore.

7. Different classes of fuel *should not be mixed* in one and the same waggon. If so mixed, payment will be made for the entire quantity at the rate admissible for the lower quality of fuel mixed.

8. Existing rate of rebate on big logs and lengthy billets will continue.

9. As the consignor is for all purposes of payment taken as the supplier, the parties to whom the fuel belongs will take adequate precautions to see that their names and addresses are invariably noted in the Railway Receipts. Government will not bind itself as responsible for any wrong payments arising out of incorrect noting of names of suppliers in the Railway Receipts.

10. Such of those as are willing to make supplies, will enter into an agreement with the Special Officer, Fuel Supplies, for making regular supplies.

A. S. RAMANNAH,
Special Officer.

To

All Treasury Officers.

Sir,

Re : Changes in Treasury procedure affecting the transactions of the Food Supply Department.

With reference to para 2 (a) (vi) of this office Circular No. 5—TM, dated 12th March 1951, I write to state that the following procedure will be adopted by treasuries on and after 1st April 1951 in the case of the transactions of the Food Supply Department.

(a) *Salary, Establishment, T.A. and Contingent Bills Revenue Account).*

Bills payable outside Bangalore will be encashed at the several treasuries after the prescribed preliminary check as at present. The payments made will, however, be entered in the list of payments of "63 Extraordinary Charges" Service Head) and not under the remittance head "39 Remittances—Food Supply Department—Bills." The daily total from the above list of payments will pass into the register of Daily Totals of Service Heads as in the other cases. This list will be written up in triplicate (by using carbon paper) and two copies of the list of payments supported by vouchers should be sent to this office monthly.

Bills payable at Bangalore will invariably be paid by this office by means of cheques on the local treasuries or Banks. Such bills should not therefore, be cashed at the treasuries in Bangalore on and after 1st April 1951.

(b) *Remittances to treasuries on behalf of the Food Supply Department in respect of the value of foodstuffs sold, etc.*

These are now being shown in the treasury accounts under the head "39 Remittances—Food Supplies Department Payments into Treasuries." On and after 1st April 1951, such transactions will be classified under the new major head "85 A Capital Outlay on schemes of State Trading—the minor head being—Common Suspense for Grain Supply schemes—Receipts" and not under the remittance head referred to above. These remittances will be made in triplicate challans (one to be filed in the treasury for being sent to the Accountant-General with the monthly accounts and the second and third copies to be returned to the remitter (duly signed).

(c) *Drawings from Treasuries for Capital Expenditure.*

Funds will be drawn on Abstract Contingent Bills as hitherto by the Deputy Commissioners and Amildars, against Letters of Credit issued by the Chief Accounts Officer, Food Supply Department. These bills should be charged to "85 A Capital Outlay on schemes of State Trading—Grain Supply Schemes—Common Suspense—Payments" in the Treasury Accounts.

(d) A new Subsidiary Register form has been got printed for recording both receipts and payments relating to the above Capital head without separate columns for each grain. Daily totals of this register will get into the Register of Daily totals of Revenue and Service Heads. The Subsidiary Register will be written in triplicate by the carbon process. One copy is for treasury, one copy with challans and vouchers will be forwarded to this office and the third copy sent to the Chief Accounts Officer, Food Supplies Department.

(e) The head "85 A Capital Outlay on Schemes of State Trading" may be opened in the Registers of Daily Totals of Revenue and Service Heads, for recording total realisations and total payments. In the monthly treasury accounts sent to this office, receipts will appear on the receipt side and payments on the disbursement side against the major head "85 A Capital Outlay on Schemes of State Trading—Grain Supply Schemes—Common Suspense."

(f) The head "39 Remittances—Food Supply Department" should not be operated upon by treasuries on and after 1st April 1951.

Yours faithfully,
V. K. SUBRAMANYAM,
Deputy Accountant-General.

Notification dated 27th March 1951.

No. 18811. In continuation of this office Notification No. 15792, dated the 29—30th January 1951, relaxing the Cement Control Order in the State by permitting the licenced cement stockists in the State (except Bangalore and Mysore Cities), to sell cement to *bona fide* consumers within their jurisdiction up to one ton (20 bags), during the month freely without permits, as a tentative measure, for a period of two months from 1st February 1951, it is hereby notified for the information of the public that the above relaxation of the Cement Control Order is extended for a further period of two months, as a tentative measure, from 1st April 1951.

M. K. APPAJAPPA,
Controller of Civil Supplies and
9857 *Chief Cement Rationing Authority in Mysore.*

Dated 29th March 1951.

To

1. Heads of All Departments.
2. All the Deputy Commissioners.

Sir,

Subject:—Supply of Typewriters to Government Departments and Offices.

No 18945. I write to state that prices of typewriters specially of American origin are rising rapidly from some time past and the prices that are obtaining now and that are now accepted by the Government of India are going to be increased by about 25 per cent more and consequently it has been found expedient by Government to purchase and store some typewriters of American origin on Government account and arrange supplies to Government Departments as and when required.

The Government have therefore arranged to purchase for the present Remington typewriters of the undermentioned sizes and these will be placed for distribution with the undersigned who will arrange for supplies among the several Government Departments on applications in the prescribed form which will be supplied on request.

(a) Policy. (c) Foolscap.
(b) Brief. (d) Portable.

In view of the fact that only Remington machines are stored, all indentors who apply for typewriters from 1st April 1951, are requested to indent only for these machines after getting the necessary Government sanction for the same. If any other size like Manifest and Ex-Manifest is required, an application may be made to that effect setting forth the details of work involved, etc.

Applications, therefore may be made to this office with a copy of the Government Order sanctioning the purchase and the details like the adjustment of the bill of cost, cartage, transhipment charges, etc., will be furnished after applications are received.

It may be mentioned here that this change in procedure in no way alters the previous procedure and Government Departments are as usual prohibited from purchasing typewriters direct from firms.

I, therefore, request you to kindly circlarise this information in your Department for information and needful action.

M. K. APPAJAPPA,
9927 *Controller of Civil Supplies.*

OFFICE OF THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE.

Notification dated 31st March 1951.

No. F.3. 85—50-51. The contract of the Mysore National Contractors and Suppliers Company for supply of fuel to Bangalore Civil Supplies, ceases from 1st April 1951. Representations were being made by many fuel suppliers that Government should permit them to make direct supplies of fuel without the Agency of a Company, so that they may get the benefit of the commission and other charges hitherto allowed to the Company. Government are therefore now pleased to order in their No. S. D. 8896-901—25-50-45, dated 29th March 1951, that direct supplies may be taken from the suppliers from 1st April 1951, subject to the conditions noted below. It is however anticipated that the suppliers will take advantage of the facility now afforded to them and make increased supplies so as not to give rise to any cause for effecting alternate arrangements for securing fuel to Bangalore:—

FOR SUPPLIES MADE BY RAIL.

1. The suppliers will be paid at the following rates:—

Class I—fuel. (Casuarina, Dindiga, Kamra, Jambai, and Mathi) Rs 3 -8-0 per ton.

Class II—fuel. (Jungle, Ordinary): Rs. 24-2-0 per ton, and Special Jungle Fuel (received from Shimoga, Hassan and Mys re Districts): Rs. 26-2-0 per ton.

NOTE.—The above rates apply to supplies made at the depots which means the suppliers themselves have to attend for loading, transport and unloading at the Depots. If, however, the suppliers cannot arrange for loading, transport and unloading at the Depot, Rs. 2-10-0 per ton will be charged therefor.

2. Suppliers, if present at the time of allotment of their consignment, will receive payment due to them, direct from the licensees and Co-operative Societies, after meeting the Railway Freight and Transport Charges, if any.

3. By the above arrangements, suppliers who cannot arrange for their own loading, internal transport and unloading, will get Rs. 29-14-0, 21-8-0 and 23-8-0 per ton of Class I-fuel, jungle fuel ordinary and jungle fuel, Special (hard) respectively, as against Rs. 28, 20 and 22, respectively, they were hitherto getting.

4. In case of suppliers whose consignments are released to licensees and societies and who are not present at the time of receipt of fuel, the net amount due to them after defraying the railway freight, unloading, transport, postal and other charges, will be remitted to the consignor as noted in the Railway Receipt after recovering the cost from such licensees or societies, furnishing particulars as to weight, etc.

5. In the case of supplies taken to Government Depots, the suppliers will be informed of the weight and the quality of fuel whereupon they must prefer bills in duplicate at the above rates to the Special Officer, Fuel Supplies. On receipt of the bills, payments will be made by the Special Officer, by cheques after deducting the railway freight and transport charges. The transport contractor may claim the charges on a bill.

6. Contractors are reminded that no permits are necessary for consigning fuel to Bangalore in the name of the Special Officer, Fuel Supplies, Bangalore.

7. Different classes of fuel *should not be mixed* in one and the same waggon. If so mixed, payment will be made for the entire quantity at the rate admissible for the lower quality of fuel mixed.

8. Existing rate of rebate on big logs and lengthy billets will continue.

9. As the consignor is for all purposes of payment taken as the supplier, the parties to whom the fuel belongs will take adequate precautions to see that their names and addresses are invariably noted in the Railway Receipts. Government will not bind itself as responsible for any wrong payments arising out of incorrect noting of the names of suppliers in the Railway Receipts.

10. Such of those as are willing to make supplies, will enter into an agreement with the Special Officer, Fuel Supplies, for making regular supplies.

87a

Notification dated 31st March 1951.

No. F.3. 85—50-51. The contract with the Mysore National Contractors and Suppliers Company for supply of fuel to Bangalore Civil Supplies ceases from 1st April 1951. Representations were being made by many fuel suppliers that Government should permit them to make direct supplies of fuel without the Agency of a Company, so that they may get the benefit of the commission and other charges hitherto allowed to the Company. Government are therefore now pleased to order in their No. S.D. 8896-901—C. 25-50-45, dated 29th March 1951, that direct supplies may be taken from the suppliers from 1st April 1951 subject to the conditions noted below. It is however anticipated that the suppliers will take advantage of the facility now afforded to them and make increased supplies so as not to give room to any cause for effecting alternate arrangements for securing fuel to Bangalore.

FOR SUPPLIES MADE BY ROAD IN LORRIES.

1 The suppliers will be paid for at the following rates for direct supplies :—

Class I-Fuel :—(Casuarina or Dindiga fuel): Rs. 32—8—0 per ton, and
Class II-fuel :—(Jungle fuel) : Rs. 24—2—0 per ton.
} (Including Transport charges to the Depots in the Bangalore Corporation and unloading thereat).

2 There will be no change either in the existing purchase price or mileage charges, *i.e.*, Class I-fuel being paid for at Rs. 28 per ton and Class II-fuel at Rs. 20 per ton, F.O.R. The difference of Rs. 4-8-0 per ton in Class I-fuel and Rs. 4-2-0 in Class II-fuel, will go to the lorry owner towards internal Transport and delivery.

3 The existing rebate charges against supply of big logs and lengthy billets will continue.

4 The existing rates of payment for supply of mixed consignments and casuarina roots will continue.

5 The suppliers should recover direct from the licensees, Co-operative Societies and other concerns to whom their fuel may be allotted, the cost of fuel due from them. The Fuel Inspector, Weigh Bridge, will however, collect the usual commission charges due to Government from the licensees and see that proper and due payments are made to the suppliers.

6 In cases of supplies taken to Government Fuel Depots, the suppliers will acknowledge the receipt on the duplicate copy of the delivery note on one anna receipt stamp, for having received payment. The delivery note, after being certified in the respective Government Depots, will be sent to the Office by the Fuel Inspector, Weigh Bridge, for making payment to the supplier and the lorry owner, if any, when payment will be arranged to be made in the office.

7 The licensees, societies and other concerns are requested to arranged for *cash payments* to the suppliers direct at the Weigh Bridge, immediately after allotment of fuel to them, failing which no supplies can be made to them.

8 Such of those suppliers who are agreeable to make direct supplies under the foregoing conditions will enter into an agreement with the Special Officer, Fuel Supplies, for keeping up regular supplies.

9 If the unloading is done by the Government Depot Staff, Re. 0-12-0 per ton will be charged.

A. S. RAMANNAH,
Special Officer.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Dated 29th March 1951.

To

1. Heads of All Departments.
2. All the Deputy Commissioners.

Sir,

Subject:—Supply of Typewriters to Government Departments and Offices.

No. 18945. I write to state that prices of typewriters specially of American origin are rising rapidly from some time past and the prices that are obtaining now and that are now accepted by the Government of India are going to be increased by about 25 per cent more and consequently it has been found expedient by Government to purchase and store some typewriters of American origin on Government account and arrange supplies to Government Departments as and when required.

The Government have therefore arranged to purchase for the present Remington typewriters of the undermentioned sizes and these will be placed for distribution with the undersigned who will arrange for supplies among the several Government Departments on applications in the prescribed form which will be supplied on request.

(a) Policy. (c) Foolscap.
(b) Brief. (d) Portable.

In view of the fact that only Remington machines are stored, all indentors who apply for typewriters from 1st April 1951, are requested to indent only for these machines after getting the necessary Government sanction for the same. If any other size like Manifest and Ex-Manifest is required, an application may be made to that effect setting forth the details of work involved, etc.

Applications, therefore may be made to this office with a copy of the Government Order sanctioning the purchase and the details like the adjustment of the bill of cost, cartage, transhipment charges, etc., will be furnished after applications are received.

It may be mentioned here that this change in procedure in no way alters the previous procedure and Government Departments are as usual prohibited from purchasing typewriters direct from firms.

I, therefore, request you to kindly circlarise this information in your Department for information and needful action.

M. K. APPAJAPPA,
Controller of Civil Supplies.

OFFICE OF THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE.

Notification dated 31st March 1951.

No. F.3. 85—50-51. The contract of the Mysore National Contractors and Suppliers Company for supply of fuel to Bangalore Civil Supplies, ceases from 1st April 1951. Representations were being made by many fuel suppliers that Government should permit them to make direct supplies of fuel without the Agency of a Company, so that they may get the benefit of the commission and other charges hitherto allowed to the Company. Government are therefore now pleased to order in their No. S. D. 8896-901—25-50-45, dated 29th March 1951, that direct supplies may be taken from the suppliers from 1st April 1951, subject to the conditions noted below. It is however anticipated that the suppliers will take advantage of the facility now afforded to them and make increased supplies so as not to give rise to any cause for effecting alternate arrangements for securing fuel to Bangalore:—

FOR SUPPLIES MADE BY RAIL.

1. The suppliers will be paid at the following rates:—

Class I—fuel. (Casuarina, Dindiga, Kamra, Jambai, and Mathi) Rs. 3-8-0 per ton.

Class II—fuel. (Jungle, Ordinary): Rs. 24-2-0 per ton, and Special Jungle Fuel (received from Shimoga, Hassan and Mysore Districts): Rs. 26-2-0 per ton.

NOTE.—The above rates apply to supplies made at the depots which means the suppliers themselves have to attend for loading, transport and unloading at the Depots. If, however, the suppliers cannot arrange for loading, transport and unloading at the Depot, Rs. 2-10-0 per ton will be charged therefor.

2. Suppliers, if present at the time of allotment of their consignment, will receive payment due to them, direct from the licensees and Co-operative Societies, after meeting the Railway Freight and Transport Charges, if any.

3. By the above arrangements, suppliers who cannot arrange for their own loading, internal transport and unloading, will get Rs. 29-14-0, 21-8-0 and 23-8-0 per ton of Class I-fuel, jungle fuel ordinary and jungle fuel, Special (hard) respectively, as against Rs. 28, 20 and 22, respectively, they were hitherto getting.

4. In case of suppliers whose consignments are released to licensees and societies and who are not present at the time of receipt of fuel, the net amount due to them after defraying the railway freight, unloading, transport, postal and other charges, will be remitted to the consignor as noted in the Railway Receipt after recovering the cost from such licensees or societies, furnishing particulars as to weight, etc.

5. In the case of supplies taken to Government Depots, the suppliers will be informed of the weight and the quality of fuel whereupon they must prefer bills in duplicate at the above rates to the Special Officer, Fuel Supplies. On receipt of the bills, payments will be made by the Special Officer, by cheques after deducting the railway freight and transport charges. The transport contractor may claim the charges on a bill.

6. Contractors are reminded that no permits are necessary for consigning fuel to Bangalore in the name of the Special Officer, Fuel Supplies, Bangalore.

7. Different classes of fuel *should not be mixed* in one and the same waggon. If so mixed, payment will be made for the entire quantity at the rate admissible for the lower quality of fuel mixed.

8. Existing rate of rebate on big logs and lengthy billets will continue.

9. As the consignor is for all purposes of payment taken as the supplier, the parties to whom the fuel belongs will take adequate precautions to see that their names and addresses are invariably noted in the Railway Receipts. Government will not bind itself as responsible for any wrong payments arising out of incorrect noting of the names of suppliers in the Railway Receipts.

10. Such of those as are willing to make supplies, will enter into an agreement with the Special Officer, Fuel Supplies, for making regular supplies.

87a

To

All the Treasury Officers.

Subject:—Procedure to be adopted in respect of spoilt stamp papers.

According to this Office Circular No. 471—B-II, dated 2nd December 1947 on the subject indicated above, vouchers were required to be forwarded to this office in support of payments made on account of spoilt stamp papers. A certificate was also required to be recorded on each voucher to the effect that the stamp papers have been examined by a Gazetted Officer other than the Treasury Officer and destroyed under his personal supervision.

It is noticed that some of the Treasury Officers are recording the certificates on the spoilt stamp papers themselves, treating them as vouchers and destroying them later on. This wrong procedure should be stopped forthwith. Payments should be made on separate vouchers and all the vouchers should be sent to this office with the required certificates thereon. Pending the prescribing of a new form the payment may be made on 'simple payees Receipt,' noting all the particulars therein.
